Dear Mr. Racer,

This letter is to thank you very much for speaking at our event this past week. Our clients thought you were an excellent speaker and the topic, The U.S. Health Care System, was very interesting.

We had comments that it was fantastic, wish it was longer, and please bring him back.

Our clients were also very excited to read your book, *Your Health Matters*, and we have already recommended you to our colleagues.

Again, thank you very much.

Sincerely,

Kathleen M. Gardner
