Dave –

On behalf of NAIFA-Peninsula, I'd like to thank you for the excellent presentation you gave at our April AHIA Meeting. **The feedback from our members was overwhelmingly positive and enthusiastic!**

As the public debate around health care reform continues to grow, it is important for insurance professionals to be armed with the best information available. Inviting you to come speak to our members was a great way to prepare them with the information they need to address these important issues.

I would be happy to recommend you as a speaker to other NAIFA chapters or outside organizations.

Sincerely,

Jim Palmer
