

## Oklahoma City Association of Health Underwriters (OKCAHU)

June 19, 2007

To Whom It May Concern:

On April 24, 2007 the Oklahoma City Association of Health Underwriters held our annual spring CE Seminar where approximately 150 insurance professionals, corporate HR employees and health care providers attended. One hour of CE was provided by Mr. Dave Racer, co-author of *Your Health Matters: What You Need to Know About US Health Care* who spoke to us on "Preparing Agents for the Revolution in Health Care Reform."

The program was very professionally prepared and presented and was very informative and well received. There was great interest in the sales of his books – *Your Health Matters: What You Need to Know About US Health Care* and *Facts: Not Fiction*.

Our association purchased two additional cases and we have sold all of them. I would highly recommend Dave Racer as a speaker at any local or state AHU function.

Sincerely,

Thomas R. Belding  
President
